

**CERTIFICATION PROGRAM****Examination Score Report****Mohit Deshmukh****Oracle Testing ID:** OC1747117

1Z0-803 Java SE 7 Programmer I

**Exam Date:** 11/27/2017**Registration:** 326237882**Center ID:** 58045**Your
Score:** 71%**Passing
Score:** 63%**Result:** Pass

Feedback on your performance is printed below. The report lists the objectives for which you answered a question incorrectly.

- Apply encapsulation principles to a class
- Compare loop constructs
- Create a try-catch block and determine how exceptions alter normal program flow
- Create an overloaded method
- Create and use for loops including the enhanced for loop
- Create executable Java applications with a main method
- Create if and if/else constructs
- Declare and initialize variables
- Declare, instantiate, initialize and use a one-dimensional array
- Declare, instantiate, initialize and use multi-dimensional array
- Define the scope of variables
- Differentiate between default and user-defined constructors
- Implement inheritance
- Recognize common exception classes and categories
- Test equality between strings and other objects using == and equals ()
- Use parentheses to override operator precedence

If this is the final exam in your certification path, you are required to complete the following steps to ensure delivery of your Certification Success Kit.

- Visit certification.oracle.com and select your certification path to ensure you are aware of all certification requirements.
 - Note that completion of the required training and approval of the course submission form are also required in paths that require training.
- Check certview.oracle.com to confirm that all completed components are in your profile.
 - If exams that you have taken do not show up, you may have taken them under a different Oracle Testing ID.
 - Contact www.pearsonvue.com/oracle/contact to merge your IDs (provide all IDs under which you have taken exams or submitted forms and confirm which ID should be the 'surviving id').
- Go to pearsonvue.com/oracle, select My Account, log in, and select "Personal Info" to confirm that your address is correct.

- The address that is on file in your Pearson VUE profile is the address to which we will mail your certificate. Please be absolutely sure that it is correct.
